

Make a Poem Weather Word List

Fill in suitable words to make a wordlist to use to write a poem.

Title - _____

noun	adjective	verb	adverb

Making a Poem

Use one word from each column to make a phrase for your poem. This could also form a line of your poem as it is. If you like however you can add more words in. Make four lines for your poem. Write out your poem below.

For a change you could cut the boxes with the words out, arrange them and stick them onto paper to make your poem.
